## Release Version

Project	Release Date	Release Version
DIKSHA	March 28, 2019	V 1.14.1

## About this Document

### Scope

This document provides details of features and enhancements made to the DIKSHA platform and mobile application for the release version 1.14.1, released on March 28, 2019.

### Intended Audience

These release notes provide useful information to:

- State administrators
- DIKSHA PMU

### Document Structure

Readers of this document can find specific information within DIKSHA's current broad focus areas of:

- Energized Textbooks
- Assessments
- Teacher Professional Development
- Administration

The enhancements and new features in each of these areas are further classified, based on their use as either for:

- Creation, or
- Consumption

The document also contains a list of reported bugs that have been addressed as part of the release.

## Energized Textbook - Creation

### New Features

No.	Feature	Description	Roles Impacted
1	QR Image Enhanced	QR code image has been enhanced to include white space around the image to avoid truncation of the image	Book Creators
2	ToC Upload for Energized Textbook	<p>The sample .csv file for ToC upload has been enhanced with an additional column titled "Board". The .csv file has the following mandatory columns:</p> <ul style="list-style-type: none"> <li>• Board</li> <li>• Medium</li> <li>• Grade</li> <li>• Subject</li> <li>• Textbook Name</li> <li>• Level 1 Textbook Unit</li> <li>• Level 2 Textbook Unit</li> <li>• Level 3 Textbook Unit</li> <li>• Level 4 Textbook Unit</li> <li>• Description</li> <li>• Mapped Topics</li> <li>• Keywords</li> <li>• Purpose of Content to be linked</li> <li>• QR Code Required?</li> <li>• QR Code</li> </ul> <p>For details refer <a href="#">Creating Book</a></p>	Book Creators
4	Upload ToC window enhanced	<p>The Upload ToC window has been enhanced to include the following changes:</p> <ul style="list-style-type: none"> <li>• Link of the sample .csv file is available for download</li> <li>• An information message, "No sections can be added or removed through this update, only the values of the attributes can be changed"</li> </ul> <p>For details refer <a href="#">Creating Book</a></p>	Book Creators
5	Content linking through .csv upload	Book creators can provide the content link in the sample .csv file and upload the same on the portal, using the "Update ToC" option. This links the content to	Book Creators

		headings/topics of an already created textbook. All content links provided in the .csv file must already be published and live on DIKSHA For details refer <a href="#">Creating Book</a>	
6	Upload dialog box display enhanced	The Upload ToC dialog box has been enhanced such that when an error message pop-up is displayed, the Upload Dialog box continues to be displayed on the screen. This would help users to close the error pop-up screen and continue with the upload	Book Creators
